DID YOU KNOW?
 that True North is the only
 para-church org. in our area
 to minister
 to imprisoned youth
 ages 10-21?

UPDATES:

THE youth are making great strides toward wholeness. Male youth from Cuyahoga Hills come to the farm 3 days a week. One of these youths wants to become a pastor when he gets out. He preached a service at the JDC in July and a few others came forward for prayer and salvation.

Another young man from Cuyahoga Hills will be getting out soon. He will be located at a program in Wooster under supervised housing. He gets the opportunity to work for a living and feel the value of contributing. True North would love to become such a place for the youth.

Please pray for these young men and for the opportunities that the Lord places before us. We long to remain focused on His will as we minister to these young adults.

Volunteer Forum

Saturday, September 12, 10:00 a.m. - noon

This is an opportunity for volunteers to share their experiences, offer suggestions on how to better the program, exchange lesson-plan ideas, and to learn from other volunteers.

WE NEED FEMALE MENTORS!

The population of female youth in juvenile detention centers is still growing, and we need Christian women who are mature in their faith to come alongside these girls. Please pray about becoming a mentor; who knows how the Lord will use you to be a blessing to the girls and the staff of the JDCs. Call Jim at the office to get more details or to say, "Here am I; send me!"

Prayer Requests

- ◆ Please continue to pray:
 - that we would be diligent in doing God's work
 - that we would be a bright light in a dark place
 - that the Spirit would soften the hard hearts of the youth
 - that we see an increase in volunteers
 - for the current volunteers as they go into the facilities
 - for us to be approved for our grant requests
 - that more godly women will volunteer as mentors
 - for the youth who are getting out soon. It's a scary thing for them.
